## ROSÉ

GRAPES

50% Pinot Noir  
di cui l'8,5% in rosso  
35% Chardonnay  
15% Meunier

A blend with the highest level of Chardonnay to compensate for the vinosity of Pinot Noir, especially the red one. It is the fruit of the last vintage plus 45% of reserve wines from the previous two vintages then two years of yeast fermentation and extra brut dosage less than 2,5 g/l. An elegant rosé created from the red citrus fruits and the fruit giving it a fresh, lively and crisp flavour. It is a subtle rosé, combined with a soothingly fresh and brilliantly clean taste making it ideal as an aperitif or as a table wine.
